- **Simply hang around**  
Backpack with zip
- **Additional storage space**  
Mesh pocket on the outside

## Scope of delivery

- Backpack bag

## Warranty period

- 2 years

### Ideal for carrying all 6.5" balance boards

#### Carry and store

The backpack is made of strong and durable nylon. It has a zip that provides optimal access to the balance board. It protects against damage to the board.

#### Water protection

The backpack is water-repellent and thus protects against moisture. This means the Balance Board always stays dry and also clean.

#### Mesh pocket

The additional mesh pocket is the ideal place to store accessories, such as the Balance Board's charging cable. It can also be ideally used for drinking bottles, wrist pads, sunglasses, etc.

#### Adjustable shoulder straps

The carrying handle can also be used to hang up the backpack. For comfortable carrying, the backpack is equipped with an adjustable shoulder strap.
