Only 96g

Your fingerprint is your key.

With the BE COOL Fingerprint Padlock you will never search for your keys again. Save time with the fast unlocking mechanism.

The lightweight, Zamak alloy padlock secures your belongings while being intuitive to use. Storing up to 10 different fingerprints and a standby time of 6 months make it a joy to use indoors as well as outdoors for the whole family. For safety a morse code can be added. A compact build ensures a variety of possible applications, ranging from your bag, locker, garden house or backpack.
