

Equipment highlights

2-in-1 function

Insect killer with white LED lighting

Solar panel and battery

The 1800mAh battery can be charged both by solar energy and via USB.

Effective & environmentally friendly

The insect killer is based on a physical method and does not use any sprays, pesticides, chemical substances or odours.

360° all-round UV light

With the long-lasting LED tubes inside, the mosquito lamp emits a 360° all-round UV light that attracts and effectively destroys the biting insects around you.

Scope of delivery

2 in 1 Insect Killer
Operating instructions
USB cable
Cleaning brush

Warranty period

2 years

The ultimate 2-in-1 insect killer: treat insect infestations while brightening up your room with a powerful white LED light. With an integrated solar panel and a built-in 1800mAh battery, you can take it anywhere. With a power of 5W and an application area of 40 m², it is suitable for both indoor and outdoor use. The practical carrying handle makes it easy to handle and allows you to transport the insect killer quickly and easily.

Technical data

- 2 in 1: insect killer with white LED lighting
- Input voltage: 5V/1A
- Material: ABS-PC
- Solar panel: 4V/100mA
- Integrated battery: 1800mAh, type: Lithium 18650
- Power : 5W
- Lumen: 60LM
- LED: SMD2835
- Max. Voltage: 800V
- Rainproof: IP20
- Application area: 40 m²
- With carrying handle

Colour: Green

Net dimension (W x H x D): 10.2 x 20.6 x 10.2 cm

Gross dimension (W x H x D): 10.8 x 21.6 x 10.8 cm

Weight net/gross: 0.31 kg / 0.375 kg
